

Homestead High School Parent Club

November 18, 2021

Zoom Meeting Agenda

- Welcome and Introductions - called to order at 11:02 am

- Guest Speakers:
 - Mrs. Summers: Talked about the academic resources in some subjects for students:

Math: during school time if the student has study hall or seminar. They can request a pass from their teacher and go to the math resource room for additional help. This program is available after school too.

World language- they have a teacher after school able to help students.

The national honor society has a tutoring program. Please get in touch with your counselor or Dr. Price for additional information.

They will have a prom at Grand Wayne Center, with masks recommended.

Kids quarantine during finals. They will have to do it later.

They need subs if anyone is willing to help. Please consider volunteering

- Mr. Clark talked about Dual Credit:

Homestead offers dual credit for college. Homestead is partnered with IU, Ivy Tech, Purdue, Ball State. Some information about dual credit please access:

- Vicki Heckman talked about her conversation with Dr. Ginder:

SACS had an increase of about 1000 students over the ten years. There is a plan to expand Whispering Meadows, Deer Ridge, and Summit Middle School.

Homestead new school is projected to be done by winter 2024.

- Treasure report- Cindy Otten

Cindy presented the budget for 2021/2022

- Reports:

Teacher Grants (Chair: Jennifer Wiggins)

The teachers grant had 20 teachers applying this year. We are funding eight teachers and expanding about \$4200.

Teacher Appreciation Luncheons (Chair: Anita Gregory)

We provided lunch in October during the teacher conference. They have another luncheon planned for December.
